

Sunseeker Charters is proud to present to their fleet the largest charter vessel of its kind based in the UK, the brand new 88 Yacht. Combine the two capacious decks and 'High Energy' offers the perfect venue to entertain guests, family, friends or colleagues - whether it be in the home berth of Southampton's Ocean Village or Canary Wharf and St Katharine's Yacht Haven, London.

HIGH ENERGY

The largest and most luxurious vessel of its kind available for charter in the UK.

'High Energy' is renowned for the ultimate corporate and hospitality days for up to twelve guests on a day charter and up to three crew.

For extended cruising, 'High Energy' can accommodate up to eight guests in four cabins, a range of up to 300 miles makes this yacht well suited to cruising along the South Coast or further afield to the West Country, Isles of Scilly, Channel Islands, St Malo and Brittany.

A full crew of four look after you and your guests. Your onboard chef will prepare a wide range of dining options from tasting menus to elegant canapes.

Equipment includes a flatscreen TV/DVD in the saloon and cabins, ipod docking and zoned speakers inside and out allowing guests total control at the touch of a button.

Accommodating eight guests in four stunning cabins. The magnificent midship master stateroom, the forward VIP stateroom, an aft starboard twin/double cabin and an aft port twin/double cabin.

'High Energy' is fitted with zero speed stabilisers to ensure comfortable cruising and a great night's sleep.

This yacht is all about entertaining. The impressive saloon deck provides large open-plan dining and seating areas opening onto a sizeable aft cockpit, ideal for alfresco dining or a comfortable seating area.

The spacious flybridge offers a second area for gathering and has the option of a hard top roof to cover the main body and sides.

Two large decks, a flybridge bar, great flexibility and excellent catering facilities all combine to offer the perfect luxury venue.
