Day 3

Phi Phi Island - Racha Island

Today's journey will take you Racha Island.

This island is relatively remote and therefore a great hideaway. It is also an excellent location for snorkelling and diving.

Your vessel will anchor in the bay by the exclusive Racha Island resort.

During the afternoon you may wish to go ashore to sample the spa facilities here.

Tonight, your skipper will take you ashore by tender for dinner at the resort which has three different restaurants to choose from.

Day 4

Racha Island - Nai Harn Beach, Phuket

After breakfast on board, your motoryacht will weigh anchor and head towards your next destination – Nai Harn Beach at Phuket.

En route your motoryacht will stop at Chalong Bay to refuel and get supplies. While here, you may wish to explore some of the shops. After refuelling, you will continue on your way to Nai Harn Beach.

This beach is one of Phuket's finest – it is beautiful, quiet and tranquil. Spend a relaxing afternoon in the midst of stunning scenery and

enjoying the comfort of your Sunseeker motoryacht.

As the sun sets, enjoy a refreshing cocktail on the flybridge before going ashore to the Meridian Yacht Club or one of the many seafood restaurants along the beach.

Day 5

Nai Harn Beach, Phuket - Kata Beach, Phuket

Following breakfast on the motoryacht's aft deck, you will be taken ten minutes along the coast to Secret Bay. This is a fabulous spot for lunch and an afternoon enjoying the sea and the sunshine. There is also the option of lunch ashore as the local Thai restaurant comes highly recommended.

As the sun starts to wane, you will be taken to Kata Beach where you will be spending the night. This is the smallest of Phuket's three main tourist beaches, so it is relatively quiet. However, ashore there are local shops, restaurants and entertainment, which will ensure a great night out.

Day 6

Kata Beach, Phuket - Patong Beach, Phuket

This morning you will cruise to nearby Freedom Beach on the southern headland of Patong Beach.

Freedom Beach is one of the most beautiful and isolated beaches in Phuket.

Only accessible by sea, this is actually a private beach that is open to the public. There is a small restaurant here if you wish to go ashore.

However you may be too busy snorkelling – with its coral reefs there is a plethora of marine life and this is one of the best places to see it in Phuket.

In the afternoon you will move round the headland to the liveliest beach on Phuket – Patong Beach. Here you can go ashore to look round the shops.

Later, there are plenty of restaurants and bars to enjoy.
