Sunseeker Charters

'Good morning'

Your Sunseeker Charter Experience will begin at 0930 hours at Ocean Village Marina, Southampton. Tea, coffee and Danish pastries will be served on the aft deck upon your arrival aboard the Sunseeker motoryacht.

While the vessel is stationary, you will have the best opportunity to peruse the opulent interior.

Once you have had an introduction and safety briefing from your skipper and crew, High Energy will slip its moorings and head out into the Solent.

Sightseeing in style...

HMS Victory

Catch your breath as you are transported at exhilarating speed by this pedigree performance vessel. You will head east towards Portsmouth, passing the impressive Napoleonic forts. You will then enter Portsmouth harbour to take in the famous sights. As a haven for modern defence ships, submarines and vessels such as the HMS Victory, this historic naval harbour has plenty to see.

Having worked up an appetite...

After your waterborne sightseeing tour, you will be whisked off to the internationally renowned boating town of Cowes on the Isle of Wight. On berthing in the Yacht Haven, you will be given a glass of Pimm's before being escorted to the Royal Corinthian Yacht Club to relax and enjoy a fabulous lunch.

If time permits, you will have the opportunity to have a look around Cowes, and browse the unique selection of shops to be found there.

The Solent provides an excellent boating area, and because of this there are always plenty of craft to watch – from windsurfers to container ships! You may even have time to enjoy a leisurely cruise along the beautiful Beaulieu River (pictured below).

And finally...

After a memorable afternoon, you will return to High Energy's home berth in Ocean Village Marina, Southampton, where you will be able to enjoy afternoon tea before you depart at 1700 hours.
