Treasure hunting and adrenalin!

On a Rib Treasure Hunt you will solve fiendish clues within the heart of London. You will see London in a whole new light from the water – the shallow draft of the vessels enables us to get right up to the world famous landmarks – vital for solving the clues! And with no speed limits on large stretches of the Thames we are able to make full use of the breathtaking speed and performance characteristics of these amazing boats.

As well as the competitive element of this event, you will also have the opportunity to enjoy a high speed blast from Tower Bridge to the Thames Barrier and beyond. (Full, quality waterproofs are provided.)

Having worked up an appetite...

The Ribs will return to the pier at Canary Wharf around noon. Guests will be welcomed back on board the Sunseeker Manhattan 60 with a glass of champagne. A delicious buffet lunch will be served with drinks before the results of the treasure hunt are announced.

Enjoy tea and coffee before departing around 15.00 hours.

Optional extensions to the day include afternoon wine-tasting.
