Sunseeker Charters

'Good morning'

Your Sunseeker Charter Experience will begin at 0930 hours at Ocean Village Marina, Southampton. Tea, coffee and Danish pastries will be served on the aft deck upon your arrival aboard the Sunseeker motoryacht.

While the vessel is stationary, you will have the best opportunity to peruse the opulent interior.

Once you have had an introduction and safety briefing from your skipper and crew, *Pure Blue* will slip its moorings and head out into the Solent.

Adrenalin Rides!

Six guests will be given waterproofs and board the RIB. The RIB is a smaller and faster powerboat – bringing you even closer to the elements! It is capable of stunning speeds, and yet ultimately controllable in all sea states. Sightseeing and 'white knuckle' rides are a popular mix of RIB with motoryacht charter. It will also give you the chance to view the Manhattan 60 in action.

Everyone will have the chance to enjoy a ride in the RIB before the whole party returns to the Manhattan 50 for the journey in Cowes.

Having worked up an appetite...

After your adrenalin rides, you will be whisked off to the internationally renowned boating town of Cowes on the Isle of Wight. On berthing in the Yacht Haven, you will be given a glass of Pimm's before being escorted to a restaurant or being served a delicious buffet lunch on board. Either way, you will be able to relax and enjoy a fabulous meal.
